Machine Knitter's Guild	April 2011 Newsletter

## **April 9th Meeting Topic: Shaping**

The meeting will again be located at the Glen Ellyn Public Library, 400 Duane ST, Glen Ellyn, 10am to 12 noon, in Room B. There will be another group needing the room so we will need to begin and finish promptly.

**The Knitting Closet** Order Anne, Sharon, Beth and Linda: Mary says: April 9th shouldn't be a problem. The order shipped March 31st.

Kanella informed me she will be at Saturday's meeting so:  
The InterKnit Library will be available for withdrawals or returns!

### **Tip of the Month:**

To keep a crochet cast on from being too tight use a latch tool from a larger gauge machine. Thank you to P. Hendrix for this month's "tip"!.
